

Call for Papers

The organizing committee Prof. Dr. T. Gehrig (Univ. Wien), Dr. T. Pausch (Deutsche Bundesbank) and Prof. Dr. P. Welzel (Univ. Augsburg) invite young academics (Ph.D. students and postdocs) dealing with theoretical or theoretically founded empirical research on banks and financial markets to submit a paper or a project outline for presentation at the

8th Workshop Banks and Financial Markets

taking place October 25th - 26th, 2018 at the University of Augsburg's Faculty of Business and Economics. Papers that examine competition between financial intermediaries, the risk taking of individual banks, the stability of the financial sector and its regulation are of particular interest.

The workshop aims at linking young economists interested in related topics. It provides a platform to exchange ideas and discuss recent contributions. Presentations, assigned comments and general discussions create an inspiring setting.

Submissions should be sent electronically to Martin Windl (martin.windl@wiwi.uni-augsburg.de) until September 7th, 2018. Notifications of paper acceptances or rejections can be expected by September 21st, 2018.

We suggest you the B&B Hotel Augsburg (booking via email to augsburg@hotelbb.com or via telephone under +49 821/498 12 0). It is planned to cover transportation costs and provide accommodation for workshop speakers at least to some extent, financed by the Research Center Global Business Management at the University of Augsburg.

For further information, do not hesitate to contact Martin Windl (martin.windl@wiwi.uni-augsburg.de) or Peter Welzel (peter.welzel@wiwi.uni-augsburg.de).
