

Amendment of the Curriculum for the master's programme in Banking and Finance

passed by the Senat of the University of Vienna in January 2021

§ 3 Entry requirements

(1) To be admitted to the master's programme in Banking and Finance students must have completed an eligible bachelor's programme or an eligible bachelor's programme at a university of applied sciences or an equivalent degree programme at a recognised Austrian or foreign post-secondary educational institution.

(2) The following bachelor's programmes at the University of Vienna are certainly eligible: Business Administration, International Business Administration, Computer Science, Mathematics, Statistics, Economics and Business Informatics. These studies meet the qualitative admission requirements specified in para 3.

(3) To graduates of other programmes, the following qualitative admission requirements apply in any case:

- Command of English corresponding to at least the B2 level of the Common European Framework of Reference for Languages; regarding the proof of the language level the regulations of the University of Vienna apply.

- Prior courses in the fields of business administration, economics, mathematics and statistics, comprising 30 ECTS credits, of which at least 3 ECTS credits each must have been acquired in courses in mathematics and statistics.

(4) The language of instruction of the master's programme in Banking and Finance is English. Students are allowed to choose elective subjects taught in German.
