and Statistics**
**Institute for Finance, Banking and
Insurance**

The Institute for Finance, Banking and Insurance invites incoming Master Students with a major in Finance to an information session about the

Portfolio Management Program (PMP)

to be held on September 13th, 2016 at 18:45 pm at the seminar room D4.0.022 (Department Building D4, Campus WU)

Aim of the session is to introduce students to the objectives and the structure of the PMP and provide detailed information about application procedures.

The PMP is a unique opportunity for students to apply their theoretical knowledge to the analysis and the management of actual portfolios. Applicants are expected to be available for a two years program in which incoming (first year) students act as securities analysts while second year students manage three portfolios with a market capitalization of more than 1 million Euros, each. For further information about the program please consult our website.
